REFERENCE:

Submitted to the Government.

2. The Board invites the attention of the Government to their Order No.679, Finance (Pension), dated 12-7-1948. According to this order the officer concerned should be given an opportunity to explain and to vindicate himself if possible in cases where a reduction in pension is proposed. In this case, no definite punishment was indicated in the charge memorandum dated 21-9-1950. The delinquent was asked to show cause why disciplinary action should not be taken against him. But in the Collector's memorandum dated 31-1-1951 containing the provisional conclusion, a reduction in pension of Rs.2-8-0 was proposed. The Board considers that the formalities contemplated in the G.O. referred to above have been observed, and ~~that~~ there is no defect in the procedure followed.

3. The Board has perused the connected records. It submits the following remarks on the several charges against the delinquent:-

The first charge is that the delinquent received Rs.18/- from Sri Thomas D'Souza of Konaji village on 10-1-1950 and cashed the sugar permit No.226, dated 5-1-1950 for 12 lbs. of sugar in favour of Sri P.Shama Rao and that he similarly misused several other sugar permits. The Board considers that the documentary evidence is quite ample and that except mud-slinging there is nothing in the delinquent's explanation. The charge is held proved.

The second charge is that the delinquent actuated by corrupt motives, got up a malafide petition dated 7-2-50 from Sri M.L.S.Kumbla for one tin of kerosene oil and 2 maunds of sugar. The trustee's evidence in respect of this charge is acceptable. It is clear that the temple clerk and the delinquent have colluded. There is no direct explanation to the charge. The charge is held proved.

The third charge is that the delinquent unauthorisedl took upon himself the office of the honorary C.I.D. reporter and sent a false petition dated 21-4-50 against Sri U.Sunith Bhat. The Board considers that it is extraordinary that a taluk office clerk should style himself as Honorary C.I.D. reporter and write libellous allegations against a respectat non-official. There is no direct explanation to the charge except mud-slinging. The charge is held proved.

The fourth charge is that the delinquent was found be in unauthorised possession of several petitions sugar permit forms. The applications and the sugar

n t o

permit-forms. The-applications-and-the-sugar permit forms found to be in his possession were obviously intended to draw supplies from the stores fraudulently, and sell in the black-market. There is no explanation to the charge. The Board considers that the clerk has definitely abused his position as sugar permit clerk. The charge is held proved.

In conclusion the Board observes that all the charges that are held proved, would normally justify removal of the delinquent from service or permanent reduction. The reduction of pension by Rs.2-8-0 per mensem out of Rs.27-8-0 is a mild punishment though somewhat mild. The Board accordingly passes it.

Sub:- Shantharama Rao, Sri Ch. - Retired - Lower division Accountant - Collector's Office, Mangalore - Corruption and misconduct - Charges - Reduction of pension - Report submitted.

--

Sri Ch.Shantarama Rao is a permanent lower division Accountant of Collector's office, Mangalore, who retired from service on the forenoon of 24-9-1950 after completing the age of superannuation. From 5-11-48 to 31-8-50 he was working as clerk in Mangalore Taluk Office when a case of corruption was reported against him. The clerk was reported to have sold a special permit for 18 lbs of sugar to one Thomas D'Souza after collecting an illegal gratification of Rs.18/- The matter was entrusted for investigation to the police who found that some of the records in this connection were missing from the taluk office and it was suspected that the clerk himself caused their disappearance with a view to escape blame at a later stage. It was also found that the clerk was drawing sugar on several permits during December 1949 and January 1950, and sometimes through his brother, and some permits were found to be in the handwriting of the clerk himself. His house was also searched by the police after obtaining a search warrant from the Sub Divisional Magistrate, Mangalore, and a number of incriminating records - applications for sugar from private parties, letters requesting issue of permits etc. were recovered. The clerk, had no satisfactory explanation for these records being in his house.

2. The absence of some of the records was a serious handicap in the prosecution of the accused in a court of law for charges of corruption. Moreover the sale of the sugar permit for Rs.18/- was not corroborated by any other independent evidence. The District Superintendent of Police obtained legal opinion, and, decided to drop the prosecution. He, however, recommended departmental action for which there was ample material.

3. There were other reports against this clerk. He used to arrange for the despatch of malafide petitions for kerosene and sugar with a view to misappropriate them after permits were issued. He used to pose himself as a C.I.D. reporter and send up

up petitions alleging malpractices, corruption, etc., against his superiors, and other Government servants. Though the above matters came to light when the clerk was in service, the investigation by the Police, etc., took long time, and charges could be framed and served on him only just before his retirement. The following were the charges framed against and the memo was served on him on 22-9-1950.

4. The Revenue Divisional Officer was asked to hold enquiry into the charges under rule 15(b)(1) of Madras Civil Services (Classification, Control and Appeal) Rules. The clerk in the meantime had retired from service. He failed to appear before the Revenue Divisional Officer on some pretext or other, in spite of notice. The Revenue Divisional Officer came to the conclusion that the clerk evaded to face the charges as there was clinching documentary evidence against him and gave the finding that the charges were proved. Agreeing with the Revenue Divisional Officer's finding, I issued him a provisional conclusion calling upon him why a reduction of Rs.2-8-0 in his pension should not be recommended in view of the above charges and his past bad record. The clerk sent an explanation denying the charges and justifying his action. He wanted to peruse some records. Permission was granted to him and he was asked to peruse them within 7 days in the presence of the Thasildar in the Collector's Office. This notice was served on him on 10-4-51 but he failed to avail himself of this opportunity. He however sent a belated explanation dated 7-4-51 which was received by me on 18-5-51. He says that he has been on leave complete rest and is therefore unable to go over to office to peruse the records and that the charges framed against him are the outcome of enmity.

5. The charges are of a very grave nature. The police investigation revealed that the clerk himself caused the disappearance of records and that the absence of records as a handicap in prosecuting him. The past history of the clerk has been bad. A perusal of his personal file would reveal the extent to which he has been misbehaving and his varie ated vagaries. He has not given up this habit of slinging mud at all and sundry including highly placed officials. Himself indulging in all sorts of questionable activities he does not cease to blame others with a feeling of self imposed innocence He is an unqualified clerk who has been drawing the minimum of the lower division scale without any increment, during the whole period of his service. I however, consider that this is not a case where a lenient treatment is warranted, and the clerk let off without any punishment. A small reduction in his pension seems necessary. I, recommend a reduction of Rs.2-8-0 per month in his pension.

6. The following records relating to the charges are enclosed.

C.m. 6 ~~2216~~ Adj. Pub. servants. (S. Kanara) - C.H. Shantaram Rao, Sri. formerly lower div. accountant, Corruption and misconduct - Reduction in pension - Proposed.

From the Board of Rev. - Reference.

To A.S.

1. Please see the Board's reference and ends. in the C.f.

2. Sri C.H. Shantaram Rao, is a permanent lower div. accountant in the Collector's office, Mangalore. When he was working as a clerk in the Mangalore Taluk office from 5.11.48 to 31.8.1950, certain malpractices were ~~was~~ reported in his work and the matter was entrusted to the police. Please see the reports of the S.I., Amt. Black-marketing at pp. 27-31 of (2) and also the report of the Dy. Supdt. of Police at p. 107 C.f. of (W). In the circumstances stated therein, the D.S.P. had stated that the prosecution of the accused had to be dropped. He however stated later - there was ample material to proceed against the clerk departmentally. As the police investigation took a long time, charges could be framed and served on the clerk only just before his retirement. Four charges mentioned on pp 3-4 C.f. were framed against the clerk. The R.D.O. was asked to hold enquiry on the charges under rule 15(b)(i) of C.S. (C.C.A.) Rules. In the meantime the clerk retired from service on the

proceedings of 24.9.1950. The E.O. gave a finding that the charges were proved. The C.M.O. agreed with the E.O. and issued to the clerk a provisional conclusion calling on him to show why a reduction of Rs 2-8-0 in his pension should not be recommended in view of the charges and the bad record of the clerk. The explanation of the clerk is at Pp. 19-21 c.f. of (C). For the reasons stated in para 3 of his letter, the C.M.O. has considered that a small reduction in the pension of the clerk is necessary and has recommended a reduction of Rs 2-8-0 per month in his pension. The Board has examined the matter and has observed that all the charges that are held proved would normally justify removal of the delinquent from service or permanent reduction. It considers that the reduction of pension by Rs 2-8-0 p.m. out of Rs. 22-8-0 is a reasonable punishment though somewhat mild and has recommended it.

3. The full pension admissible to Sri Ch. Shantaramarao is Rs. 22-8-0. Under Article 470 (b) of C.S.R., if the service of a person has not been thoroughly satisfactory, the authority sanctioning the pension should make such reduction in the amount as it thinks proper. The record of Sri Ch. Shantaramarao is found to be unsatisfactory. The charges framed against him are of a very grave nature. The C.M.O. has also

stated that a perusal of the personal file of the Clerk would reveal the extent to which he has been misbehaving and his variegated vagaries. He has therefore recommended reduction in his pension. It is submitted that under G.O. Ms. No. 619, Fin., dt. 12.7.1948, the officer should be given an opportunity to show cause why his pension should not be reduced, though reduction of pension is not a statutory penalty and it is not obligatory on the part of the authority to give an officer an opportunity to explain before his pension is reduced and that the procedure prescribed in rule 15(a) of the M.C.S.(C.C.A.) Rules shall be followed. It is reported that the formalities contemplated in the G.O. mentioned above have been observed. In the circumstances stated by the Collr. the Board's recommendation for the reduction in pension of Sri Ch. Shantaramaiah by Rs 2-8-0 per mensem and of Rs 22-8-0 may be accepted. The case may be sent to Pub.(Ser.) and Fin. for remarks before circulation.

Supdt

The reduction of Rs 2/8 contemplated by the Board is termed "mild". Hence approved
